### Customer Problem Statement:

|                 |  |  |  |                                    |
|-----------------|--|--|--|------------------------------------|
| I am<br>Stephen | I'm trying to<br>Search best Offers        | But<br>i missed Offers                   | Because<br>i forgot                                | Which makes me feel<br>Depression  |
| I am<br>Prem    | I'm trying to<br>Order a product using bot | But<br>Is it safe to use?                | Because<br>it is a bot                             | Which makes me feel<br>Confussion  |
| I am<br>Kumar   | I'm trying to<br>find a best fit           | But<br>I dont know how to do             | Because<br>i dont have any idea                    | Which makes me feel<br>sad         |
| I am<br>Raj     | I'm trying to<br>search a best products    | But<br>shop doesn't have new collections | Because<br>it doesn't update collections regularly | Which makes me feel<br>Frustration |
